

# Experienced Legal Bookkeeping and Accounting Solutions

**Bookit is different. Our expert, end-to-end business bookkeeping & accounts management service is a given. Yet we also deliver the invaluable extra layer of support that a true business partner brings.**

## Dedicated accounts manager

We're not just an 'outsourcing option' or bookkeeping back-up. Bookit provides a genuine business partnership dedicated to helping your organisation flourish in challenging times.

Every client has a dedicated account manager, complete with mobile number and email address. Available as and when you need them – 52

weeks a year - your account manager drills down into your day-to-day needs. Then they create a tailored and seamless accounting solution, which takes care of all the details and frees you up to focus on your core business. The ultimate time-saving package!

# Experienced Legal Bookkeeping and Accounting Solutions

## Our depth of experience across the legal sector delivers real peace of mind.

- **Registered, insured, fully compliant**
- **Extensive multi-industry expertise**
- **More than 110 years of bookkeeping experience**
- **Comprehensive bookkeeping/accounting functions**

### Legal accounting specialist

We work extensively within the legal profession. Supported by Law Institute of Victoria (LIV) certification in Trust Accounting, Bookit provides the expert attention to detail so essential to legal organisations. We help safeguard your client funds as well as your own accounting security, treating your business with the care and commitment we give our own.

### Choose us for:

- Creditor and debtor management.
- Account processing and reconciliations.
- EOM, payroll processing and management, superannuation.
- BAS preparation and lodgement.

We're proud to build long-lasting relationships which transcend the financial ups and downs of business life. Ask us how.
